Economist/ Policy Researcher

Nigerian Economic Summit Group (NESG)

CAREER SUMMARY

Economist and Policy Researcher with a Bachelor's and Master's degree in Economics, specializing in Macroeconomics, Financial Economics, and Monetary Economics. Proficient in conducting in-depth analyses and shaping evidence-based economic policies. Passionate about driving sustainable economic growth through data-driven solutions.

WORKING EXPERIENCE

- ❖ **Policy Researcher** 2023- Date
Presidential Fiscal Policy and Tax Reforms Committee
The Committee, led by a trailblazer in Tax and Fiscal Policy, is responsible for implementing system-wide Tax Reforms, optimizing revenue, and revamping the Fiscal Policy framework. As a member of the Secretariat, my mandate is to offer technical and research support for various policies within the committee's purview. Specifically, I prepare policy briefings and conduct national and comparative research/assessment for the Fiscal Management Subcommittee. My work focuses on items related to the Subcommittee's Terms of Reference (TOR).
- ❖ **Economist/ Policy Researcher** 2023- Date
Nigerian Economic Summit Group (NESG)
As an Economist/ I'm Responsible for contributing to the Macroeconomic Outlook Reports, Private Sector Outlook Reports, Occasional Policy Briefs, Monthly Publications such as the NESG Business Confidence Monitor, GDP/CPI/Foreign Trade alerts, and the Living Conditions Monitor for the Nigerian Economy, and a host of other designated Portfolios of the Research and Development Department.
As a Policy Researcher, I'm responsible for conducting Research, Analysis, Impact Assessment, Monitoring and Evaluation, and proffering Policy Recommendations in any of the Organisation's key focal Areas with the leading objective of promoting a competitive economy and sustainable economic development.
- ❖ **Research Assistant to Mr. Muhammad Sani Dattijo** 2022 - 2023
Hon. Commissioner Budget and Planning, Kaduna State Government
In this role, I had the opportunity to assist Mr. Muhammad Sani Abdullahi, who was the erstwhile Honorable Commissioner of Budget and Planning in Kaduna State and is currently the Deputy Governor of economic Policy, at the Central Bank of Nigeria, with his Ph.D. research work and dissertation. His research focused on the areas of agro-value chains and global value chains (GVCs) in Sub-Saharan Africa (SSA).
- Assistant Lecturer** 2020-2023
Department of Economics Federal University Dutsin-Ma
In this role, I am responsible for delivering Lectures, Course Facilitation, Marking and grading, exam invigilation, Undergraduate Thesis Supervision, and participating in University community services.
- ❖ **Marketing Manager** 2017-2023
Century Care LTD, Kano State
On this adventure. I was responsible for the facilitation of the buying and selling of pharmaceuticals and surgical Products. Wholesale & Retail to Individual traders, Public & Private hospitals. Products traded include both Prescription and OTC drugs such as Arthemeter, Paracetamol, Ibuprofen, Cimetidine, Ranitidine, diclofenac, Amoxicillin, Lisinopril, Gentamicin, Ciprofloxacin, etc.

RESEARCH EXPERIENCE

- Led and co-authored the [2024 Economic Report, "The Nigerian Economy in 2025 and Beyond"](#), for the Office of the Vice President of the Federal Republic of Nigeria.
- Collaborations with prominent researchers on topics like Monetary, Financial, Development and Energy Economics, Macroeconomic and Macroeconometric Models.
